

Quality in everything we do,
Innovation as our added value!

Quality Innovation

Healthcare Services

Quality Innovation, Inc. (Qi²) provides credentialed professional service solutions for all of your healthcare organizational needs. We offer our government clients a wide range of advanced practice, nursing, and allied health personnel. We are committed to the highest standard of quality healthcare provider solutions, bringing proven expertise to both the health care client and clinician.

Capabilities

Quality Innovation, (Qi²) specializes in knowing the right mix of healthcare personnel for your organizational needs. We employ healthcare management strategies that ensure all our employees (both corporate and field) possess the appropriate skills, education, positive attitude and work ethic necessary for successfully meeting our clients' organizational needs.

Team Qi² staff have extensive knowledge of current governmental, DoD, and individual state policies and laws related to the healthcare field.

We manage the following Healthcare Services:

- First Responders
- Nursing & Allied Health
- Advanced Practice Specialties
- Emergency Room/Urgent Care
- Primary Care
- Flight Status Physical Examinations
